

TMP\_DOTweenTemplate.Simple.  
Pro.TMP\_CharColorAnimator.OnDestroy

```
graph LR; A[TMP_DOTweenTemplate.Simple.  
Pro.TMP_CharColorAnimator.OnDestroy] --> B[TMP_DOTweenTemplate.Simple.  
Pro.TMP_CharColorAnimator.Dispose];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'TMP\_DOTweenTemplate.Simple.' followed by 'Pro.TMP\_CharColorAnimator.OnDestroy' on the next line. The right box is gray with a black border and contains the text 'TMP\_DOTweenTemplate.Simple.' followed by 'Pro.TMP\_CharColorAnimator.Dispose' on the next line.
