

AnimationCurve

```
classDiagram
    class AnimationCurve {
    }
    class TMP_DOTweenTemplate_Core_Base_AnimationCurveVector3 {
    }
    AnimationCurve "1" *-- "1" TMP_DOTweenTemplate_Core_Base_AnimationCurveVector3
```

The diagram illustrates a composition relationship between two classes. The top class, 'AnimationCurve', is represented by a white rectangle with a black border and is divided into three horizontal sections. The bottom class, 'TMP_DOTweenTemplate.Core.Base.AnimationCurveVector3', is represented by a gray rectangle with a black border and is also divided into three horizontal sections. A blue line connects the bottom of the 'AnimationCurve' class to the top of the 'TMP_DOTweenTemplate.Core.Base.AnimationCurveVector3' class. This line features a blue open diamond at the bottom, indicating a composition relationship. To the right of the vertical line, the labels '+x', '+y', and '+z' are stacked vertically in a light gray font.
